### **PROGRESS REPORT FOR APRIL 2020:**

#### **INTRODUCTION:**

Hope for girls and women Tanzania is an NGO which registered legally at National level with its headquarter office in Mugumu – Serengeti with registration number **00NGO/0009414**. The organization protests FGM, defends and advocates for girls' and women rights against gender based violence and child marriage. We believe by providing education to girls and the community at large, strengthening love and solidarity in the community, we will create a community which is free from bad traditional ties, with dignity and development that will collectively declare an End to FGM, Child Marriage and other forms of Gender Based Violence. The organization established Hope Mugumu Safe house and Butiama safe house to protect girls fleeing from FGM and support young women who have experienced gender based violence from their families or community.

**VISSION:** The organization vision is to free gender-based violence in Tanzania in matters such as female Genital mutilation, Child marriage, Wife battering and Women rights to property ownership.

**MISSION:** To Inspire values and declaration of human rights to collaborate with various organizations working for change; To promote human dignity and respect for all especially girls and women

**OBJECTIVES:**

- To enhance fighting of Female Genital Mutilation [FGM]
- To promote the society in respect human dignity and equality of all human being
- To empower and promote the society to accept positive changes that will enhance their development.
- To support Gender based violence Survivors and victims with legal and psychological advice
- To enable provision of temporary shelter to victims and Survivors of Gender Based violence
- To provide support to almost vulnerable children on need.

***HGWT has managed to secure her post box no 61, Mugumu – Serengeti, Mara Tanzania. The application sent was accepted January 2020. This will also change in our letter head.***

**ACTIVITIES AND ACHIEVEMENTS:**

Hope for Girls and Women in Tanzania continues to provide Anti-Gender Based Violence awareness to Serengeti communities, provide legal aid to victims in need, to provide temporary shelter to girls and women fleeing from gender based violence and or those whose cases are at the court waiting to testify, collaborate with other partners to provide different health services to Serengeti people at subsidized costs or free of charge. Our safe house continues to spear head the END FGM activism with all these approaches used at once, with a goal to create a community free from bad traditional ties and one with a collective declaration to end FGM, child marriages, women battering and all forms of Gender Based Violence.
