### **Health issues with girls.**

Health check-up conducted to girls who departure in both safe houses, this conducted in collaboration with police gender desk and social welfare. Also before the reconciliation all girls had health check too before taken back home. Health services were provided to all children whom found with health problems after check up to the hospital. Counselling sessions conducted to all girls.

### **Legal issues** (progress with any ongoing cases)

2 FGM cases continue at Mugumu Safe house, all cases are at District court in Serengeti. 2 rape cases continue in Bunda 2 cases in District court and 1 Musoma RM court. 3 Rape cases are now continuing.

### **Village issues**

(any incidents reported, rumors, upcoming cutting etc.)

Information received in Serengeti and Butiama that the preparation for cutting has started and waiting for election end to avoid movement of leaders in the village. Through school clubs in Serengeti total of 150 girls identified to be in danger of being cut. In Butiama 98 girls identified of being at risk too.

### **SUPPORT FROM FOURSEASONS:**

Four seasons supported HGWT with food and hygienic items to support girls at Hope Mugumu Safe house.

The following items received to Hope Mugumu Safe house on 3 of September 2020 as follow: -

- Rice kg 150
- Beans kg 50

## **VTC – TAILORING PROJECT AND BATIK MAKING:**

Hope Mugumu safe house has 13 girls at VTC class, these girls will continue with their studies at vocational class. The following topic were taught

- In September girls manage to learn and taught on how to take measurement to a customer for making trouser, cutting and sewing a trouser for a customer.
- In entrepreneurship girls taught how to make bags and Aprons

Girls doing practical on how to make trouser

## **SOCIAL WELFARE**

### **Reconciliation**

Hope for Girls and Women in Tanzania Social welfare officer in collaboration with social worker, police gender desk and district social welfare conducted reconciliation between girls and their parents and succeed 8 girls to send home after their parent accept their girls to returned home after Reconciliation work.

Social welfare officer(Judith) and hope for Girls team visited Dorcas Ibrahim family at Tamkeri village.

## READING AND COUNTING CLASS

We have continued to run a literacy class where 8 students are learning to read and write and are progressing well. Student of this class has managed now to count from 1 up to 100 in Swahili language and now they manage to make words from alphabet and read those words.

Girls in Literacy class.

## IT CLASSES

in the IT department we have been able to do the following to enable the organization's activities to continue

1. to be able to have a computer class for children who are studying vocational skills at the Hope Serengeti center where 15 girls are benefiting from the education.
2. Running Class Through Computer for girls of secondary and primary schools. They have been able to learn more subjects like mathematics, geography and chemistry through program called Smart School Program which installed in a computer.

3. Enabling English distance class for primary school students from grade Five from one girls through zoom network where the teacher is at UK London.8 Student are benefit from this program.

*Standard 6 and 7 GIRLS are listening very attentively in mathematics period during the digital class conducted*

### **Plaster House**
